

Fruit, Snacks and Icecreams are sold as counter items. Children will need to purchase these items separate from their lunch orders.

Prices may be subject to change and any increase will be advertised through the Namalata.

Please indicate lunch order on paper bags and supply correct change where possible. Please do not sticky tape or staple bags.

The canteen is unable to heat food from home due to health regulations.

## Health & Wellbeing

Lauderdale Primary School is proud to be a health promoting school. We believe that students learn more effectively, perform at their best and have a greater chance of fulfilling their potential when they feel healthy, happy and supported.

We encourage all students to have a healthy and sustaining morning tea and nutritious lunch (**no lollies, chips or fizzy drinks**).

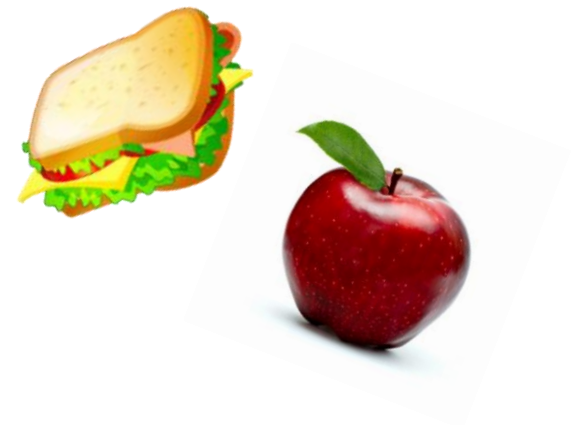

We ask that each child has a water bottle, and regularly drinks water throughout the day.
