Our Mission – To provide every student at Lauderdale with opportunities to continue to learn, reach their potential and to contribute positively to the wider school community.

From the Principal

We have many exciting events coming up within our school. Next week is National Book Week with the theme 'Escape to Everywhere'. All classes have been talking about the theme and looking at the CBCA short listed books for 2017. Many classes will join up with their book buddies to celebrate book week with activities such as a 'readers' café', excursions, art work and written work as well as dress up parades. Keep an eye out for information sent home with your child, or on dojo/seesaw.

As part of National Science Week a group of parents held a sausage sizzle fundraiser at Bunnings on Sunday. A big thank you to those who attended and raised money for our school. A special mention to Mel Mathieson who coordinated and put a lot of time into this event.

We now have over 200 parents/carers registered for Qkr orders for our canteen. Thank you for making this such a great success. Before submitting orders, please check you have ordered for the correct date, as you can order up to 2 weeks ahead.

This week is support staff week. Thank you to our Administration, Teacher Aides, EFA's, Library, IT, Social Workers, Home Liaison Officer, Speech Pathologists and School Psychologist for all you do at Lauderdale Primary School.

Kind Regards,

Tracey Johnston
Principal

Reading – a skill for life!

Today's tip from Di Vickers:

Do share enjoyable reading experiences together. Read to your child whenever you can. Ask a few questions about the story as you read. Help your child to tell stories from pictures in the book. Ask your child to retell the story in their own words. Use the pictures to remind your child of the order of events.
