

Registration

All families attending LiL programs are required to complete a registration form, for each child attending. Forms are available from sessions and at the school office.

Parking

Parent parking is provided in the parent car park, outside LiL room/sports centre. Parents are asked NOT to park in the staff car park at the front of the school.

At Lauderdale Primary our *Birth to Four* Programs follow the National Early Years Learning Framework.

We value:

- Parents as teachers
- Learning together through play
- Opportunities for thinking
- Positive relationships

Families are welcome to come along at any time. For more information please contact the school office.

LAUNCHING INTO LEARNING

Lauderdale Primary School

2017

Welcome to Launching into Learning

The implementation of the National Early Years Framework has led to a change in the way that schools approach the early years.

The framework's vision is for all children to experience play-based learning that is engaging and builds success for life. It recognizes the importance of providing quality programs from birth and the role of parents and educators in supporting the development of communication, language and social and emotional skills.

Your child's pathway to school.....

Launching into Learning (Birth to 4 years)

Friday

9.00am-10.30am:

Play based learning in our Sports Centre with stories, songs and gross motor activities.

Launching into Learning is the first step in connecting your child and family to school.

Launching into Learning focuses on learning experiences for birth to 4 years.

We provide opportunities for parents/carers to spend quality one on one time with their child and for children to develop a sense of belonging at our school.

Sessions will give children the opportunity to explore, discover and investigate through quality play based learning experiences as well as engage in stories, songs and rhymes as a whole group.

Please bring a drink (water) for your child.
